Sinning In A Motel Room

Synopsis

An erotic short story. This story is so hot, the rules don't allow it to be described completely. See the look-inside for the full description. Eighteen-year-old Evelyn and older Adam are driving home from Florida to Georgia when a hurricane hits and forces them to stop and spend a night together in a roadside motel. The two are as different as can be, with Adam very religious and Evelyn a little on the wild side, exploring her newfound sexuality. But the motel room only has one bed, and it isn't long before the couple is becoming much more intimate than they've ever been before. Will the storm let up before the two cross a forbidden line? Or will they put aside their differences and change their relationship forever? Contains graphic descriptions of taboo sex. Adults only. 19,301 words, or 73 standard pages, in length. (Not including supplementary material)
