Top 10 Delhi (EYEWITNESS TOP 10 TRAVEL GUIDES)

Synopsis

Now available in Kindle format. DK Eyewitness Travel Guide: Top 10 Delhi will lead you straight to the very best the city has to offer. Whether you're looking for things not to miss at the Top 10 sights or want to find the top place to eat, this guide is the perfect companion, taking the best of the printed guidebook and adding new eBook-only features. Rely on dozens of Top 10 lists--from the Top 10 museums to the Top 10 events and festivals. There's even a list of the Top 10 ways to avoid the crowds. The guide is divided by area, each with its own photo gallery and clear maps pinpointing the top sights. You also can view each location in Google Maps if reading on an Internet-enabled device. Plan each day with our itineraries and see the sights in individual areas. You'll find the insider knowledge you need to explore every corner with DK Eyewitness Travel Guide: Top 10 Delhi.

Customer Reviews

I have used Eyewitness Guides for cities before and found them informative without being too big to carry around. This one has good maps, but not enough detail about how to get to the sights, restaurants, shops, etc. Does not give enough of an overview of the city to have an idea of what

order to see sights in. Disappointing.

This is a colorful and useful book for short-term travellers to the New Delhi area who want a guide to show them around. It is not exhaustive, nor is it for the budget travel as far as food and accommodations are concerned. However, as either a supplement or a stand alone guide to the sights, it is easy to carry, has great pictures and drawings like all of the DK books, and provides a good overview of key sights by type. I planned two brief trips through Delhi and New Delhi and the book got me around just fine.

I am shocked DK would let this out for sale. Their high quality books are like National Geographic books. Not this version for Kindle, it is short, few pictures and really not a useful travel tool.

This is a great book if you have just a few days in Delhi. It gives you all the information you need on the top sites and great pictures to visually see if the places intrigue you. I recommend it only if you know a lot about India or have been to India before. If you have not been to India before, I would supplement this book with a more detailed book about India and the lifestyle there.

I didn't want to miss the things in Delhi I should see, so I bought this book just before the trip. Turns out, by reading the DK Eyewitness book on Delhi, Agra, Jaipur (the golden triangle) I already knew the content of this book. For some of the adventure, see my videos, like this one: [...]

Good info, light travel book, perfect for carrying around

asdfasdf

In general, I love the DK series of travel guides. This one was no exception - great practical information. If your eyes glaze over when using the big travel guides, you will love the conciseness of this one.
