Who Is Dolly Parton? (Who Was?)

Synopsis

Born in a little cabin in Tennessee, Dolly Parton always dreamed big, and she was right to! She wrote her first song at age five and became a country music star by the time she was in her early twenties. Of course, her success didn't stop there. Dolly Parton is also an actress, author, businesswoman, and philanthropist whose "Imagination Library" reading initiative reaches children throughout the US, Canada, and the UK. There is simply no one like Dolly Parton!

True Kelley is the author-illustrator of *Who Was Pablo Picasso?* and the author of *Who Was Roald Dahl?* She lives in Warner, New Hampshire.

Great book for the kids to read before we head out to Dollywood this summer. I'm hoping to generate added interest as to who she is as a person thus making the experience more meaningful that just a visit to an amusement park.

As a third grade teacher, I love using *Who Was/Who Is* books in the classroom for independent reading activities. Students love reading about Dolly Parton. As a native Tennessean, I love

teaching them about Dolly and all she has done to help her hometown. It proves that one person can make a huge difference. I highly recommend this book!

I'm a life long Dolly Parton fan and love this book. Her story is touching and inspirational so happy to see a bio for kids but it's also an easy fun read for grown ups also. I got this for a Christmas gift for my mom who also loves Dolly. I hope they will make one on Marilyn Monroe, Jack Lalanne and Lucille Ball someday. Marilyn would especially be nice to see.

A very good book. A must have for any Dolly Parton fan. It covers her entire life & career. Took about 2 hours to read. I flew right through it. I found out too that Dolly doesn't like to fly. She dislikes air planes.

Loved it, cute book. Nice short story that tells about what an amazing woman Dolly Parton is and how she accomplished her dreams

My daughter use this book for a school biography report and it worked perfectly for her. My family is distant kin to Ms Parton and my daughter idolizes her and refers to her as Aunt DollyShe can't wait to meet her someday.

Got to love Dolly! She is such an inspiration, was neat to learn more about her!! Great series of books! My kids love them, and learn so much! I do too!

I like Dolly's work a great deal. This little book is a good way to introduce Dolly to younger people. This is also useful tool to teach character traits. I like the short and factual books in this series. Well done!
