It's amazing! Just buy it! We are planning a trip this summer and this book is a GEM@!

Beautiful gold bound hardcover won't disappoint! Fabulous artwork by the premiere fashion illustrator of this generation. All my favorite spots in New York are presented plus discovered some new places that I must check out!

This was a gift requested by a family member. She loves the author and wants more in the "series"

Just as described.

Amazing book

I've always admired Megan Hess's beautiful illustrations on Instagram and was so excited that she had published a variety of coffee table / collectors books. Her illustrations blow me away and as the title suggests, makes a wonderful and delightful gift to give yourself or to the fashionista in your life!
