Customer Reviews

I bought this for a 15 year old.. When I received, it was so easy to read my 7 year old could have read it in 5 minutes. I would send it back but it cost more time than it's worth. Unless your child is young and a beginning reader, don't waste your time and money.

Not well built. it works perfectly Would buy again! doesn't get much better worked as promised very easy to use

Jimmie Johnson (Superstars of NASCAR) is a book for children. It's full of neat color photos of Jimmie and his family with history about his career.
