Neil Grant is the author of "Rhino Chasers,"

Nicely written. My 10 year old is learning Norse mythology in her Waldorf school along with Vikings, so this was perfect!

Well written mini-history book for young readers. A fun introduction to Viking culture and Leif Ericsson. The illustrations are engaging, too. My daughter was interested and enjoyed the whole book!

It's a good start. Not many details.... but then again, not many details exist about his life. Easy read for children.

I purchased this due to the fact that Eric the Red is part of my ancestry. I'm so excited to share this with my children.
