Customer Reviews

Very handy. Read it before we left, it was true, had it there in Vegas, study before you go. Have this book and have the confidence that you had "The Best Time Ever!"

Used this book alot on our vacation to Vegas!

Not accurate! The only thing that was nice about this was the casino maps and pull out map. The information about times and fees was very inaccurate. Frommer's Easy Guide was far better.

Has the right amount of details

Very nice book& useful.
