Isaiah (Interpretation Bible Studies)

Synopsis

Many of the verses of Isaiah are familiar to us as beloved passages we read and sing each Christmas and Easter season. But Isaiah is more than just a holiday reading. Isaiah speaks of God's relationship to the prophet, the people, the kings, and the servant. Isaiah's message invites us to explore God's personal character and develop a deeper understanding of the living God, the Holy One of Israel. Interpretation Bible Studies (IBS) offers solid biblical content in a creative study format. Forged in the tradition of the celebrated Interpretation commentary series, IBS makes the same depth of biblical insight available in a dynamic, flexible, and user-friendly resource. Designed for adults and older youth, IBS can be used in small groups, in church school classes, in large group presentations, or in personal study.

Book Information

Paperback: 112 pages

Publisher: Westminster John Knox Press (February 1, 2001)

Customer Reviews

Gary W. Light has served as professor of biblical studies and as a pastor in Peru and the United States. He is currently a freelance writer living in South Carolina.

I didn't correctly read the title to see that this is not a commentary, but a Bible study. It is not very deep and skips a ton of my favorites, including entire groups of chapters. The Interpretation Commentaries I've used in the past are very nice, just make sure you research what you're getting before the purchase.

The Interpretation Bible study series is easy to use for lay-led small group ministries. There is a free, PDF, leader's guide for Isaiah that can be down loaded from the publisher's website. This study hits major themes of the book of Isaiah and is a nice support for a close reading of a theologically packed book.

The book is very good, it's just that I was looking for it to be like the book I received concerning Jonah. I have no complains,. I will look at some more books on the subject. Thanks

Looked high and low for a good, basic study book while teaching Isaiah. This one meets all the criteria: hit's the highlights and is not preachy. Thanks.
