Customer Reviews

My children love this book. I replace the characters names with the names of my son and daughter. The illustrations are beautiful. Explains Ramadan in a way children can easily understand. Good to have reading material where my children can relate to culturally, (names, dress, religion, etc). Will purchase more from this series.

I just wanted to expand my 8 yr olds library for Ramadan glad to see new books! Will check out the other Hassan and Aneesa books!

Great book.
