You get 42 cards which glitters and shimmers in a hard magnetic closer box with 124 page guidebook. Each card is based on a real place in Lebanon or a past memory of Lebanon. The guidebook is thorough and it explains what inspired each art work,..... definitions/meanings and Q&A examples!!With 6 EXTRA cards, it's the best on the Lenormand Market.EXTRA CARDS ARE:1) an extra man2) extra woman3) a work card4) a bed (SEX) card5) an incense burner card6) and a Spirit with the 4 elements cards!!ENJOY!!!

Nice cards. Comfortable feel. Good accuracy.

This is so different from what we're used to with decks (any decks)- it just goes so far beyond expectations! The card backs are AMAZING. They have RG inside of the Hamsa. The details of this deck are astounding! The deck shimmers, it shines, it speaks an exotic language and then you lay them out and boom! There's your answer. I love all of the examples in the booklet, and I especially love the addition of the four extra cards. They just make sense and clear up what might be otherwise muddy answers in your readings. Rana was the first person I ever heard talking about using the Lenormand for Medium and Spirit readings (or answers). This (to me) opens up new and exciting ideas! The card names are not written on the front of the cards in this deck, but you will clearly be able to tell what card you are looking at. The card number is in the top left hand corner and the playing card is a center inset. Notice, the four extra cards do not have playing cards. I was mildly concerned that all of the beautiful gold details would come off when shuffling but, these are very well made and there has been no problem. I've taken them all over with me, tucked in my bag and they've proven to be durable. The Four Extra Cards: 37 Spirit: This card is for everyone who works with mediumship and the spirit world. 38 Incense Burner: This card is for those who work with incense, cleaning and clearing. 39 Bed: This card frees all of the other cards from the sex feature. The Bed is the sex card. 40 Market: This frees all other cards from the work feature. It is the work card. There is also an extra man and an extra woman card in the deck. Two of them go nicely with the theme of this deck and the alternates are more modern. There is a lot to love about this deck so treat it with respect and place it in a beautiful bag. I have added my notes from the four extra cards to The Essential Lenormand book-yes, I wrote on the blank pages. This gives me one book to use as a reference. Someday? I might translate all of my scribbles and notes into a giant journal but for now, The Essential Lenormand is my journal. The Essential Lenormand: Your Guide to Precise & Practical Fortunetelling Rana George Lenormand

Lovely deck and good card stock. The artwork is beautiful and feels natural which I like. I did a short reading when I opened it and was spot on. Can't wait to do more readings with this beautiful deck. I highly recommend it.

Stunning! Love the gold accents. The only negative is the card stock is too stiff to riffle shuffle. I can get over that. Poker sized deck. I would have liked to see the cards a bit bigger to truly appreciate

the artwork. Glad I purchased! I'm shocked the price was so low for this stunning deck, book, and box.

The most beautiful Lenormand deck EVER. Pleasure to see and work with. Excellent quality and wonderful arabbian-inspired design plus a very complete book and extremely accurate readings with four extra cards. Congratulations Rana George!!!!

Absolutely gorgeous deck, from the beautiful box, to the glittering gold details, to the much-more-informative-than-average booklet included. Highly recommended and a must-buy for enthusiasts. An "essential lenormand" indeed.
