Technocracy Assembled 1 *OP (For Mage, The Ascension , Vol 1) (v. 1)

Synopsis

The Technocracy strives for its own brand of Ascension. In the Technocrats ideal world, order rules, creativity is outlawed and the human soul is dead. Perhaps, but it's a small price to pay. The Technocracy promises purpose, health and prosperity for all. One mans heaven is another mans hell. Technocracy Assembled, Volume 1 includes the valuable players guides Technocracy: Iteration X, Technocracy: New World Order and Technocracy: Progenitors. The Technocracy is ascendant. Do you rise or fall?

The first in a pair of White Wolf's Mage: The Ascension amalgamated Technocracy Convention books, Volume 1 combines the individual Iteration-X, Progenitors and New World Order sourcebooks into one book. As is typical for White Wolf, each sourcebook contains a lot of background material from the 'perspectives' of various individuals, along with appropriate variant

rules and new magick or equipment. Certainly worth buying if you plan to play or use any of these Technocratic Conventions in a significant way, though the Guide to the Technocracy is also very useful.

I've the opportunity to read this book at friend's home, and was great. Perhaps the design is a little weird (at least, not in the line of the rest of Mage's books), but it has very useful info, as the play to the storyteller, but it's a bit vague.

I was very happy that my order came in pretty fast. It was packaged very well and I'm very happy with my purchase
