As Advertised

An excellent read with pictures of each coin(s) from the years this series were produced (1849-1933). Book was shipped promptly and well packaged.

Every book by Q. David Bowers is full of knowledge and fascinating to read! Another gem! Great low price too!

Factual but dated. A new addition would be appreciated. Color photos would make text more

desirable.

Great reference . Lots of good information. I would highly recommend this book

Price and shipping are good.

Great book

Well written with nice photos - the cheapest way to own a gold coin collection! Also provides info on counterfeits to look out for.
