Customer Reviews

I was really looking forward to this book to be able to do some of the pictures as a gift. Unfortunately the paper the pictures are printed on is terrible. It is way too thin and extremely hard to blend pencil colors on.

I love Marti Jo's Coloring books! And this one is awesome as well!! I love wolves and these grayscale images are beautiful! I've always LOVED wolves so this was a must get. I highly recommend all of Marti Jo's books to everyone!

Love the pics but some of them are too light for grayscale.

I thought it would have more things to color and not so much shading.
