Hafiz 2014 Wall Calendar

Synopsis

The poems of Hafiz, the esteemed fourteenth-century Sufi poet, are among the timeless treasures of world literature. In his native Persia modern Iran Hafiz is as alive and accessible today as he was to his contemporaries. Rather than being seen as stuffy classical literature from the remote past, his work is cherished as wisdom from a dear and intimate friend. His ecstatic love songs celebrate the beauty of the Beloved and playfully illuminate the sacredness of the world. These modern versions, from *A Year With Hafiz: Daily Contemplations* by Daniel Ladinsky, bring to life all the tenderness, wit and lyrical beauty of the original verses. The poetry is paired with stunning collage artwork by Silas Toball of Duirwaigh Studios, whose lush imagery and rich color palette are inspired by the venerable tradition of Persian-miniatures, but with a decidedly contemporary touch. The Hafiz wall calendar is a jewel box of beauty and inspiration, honoring the relevance and reach of this ageless poet.

Hafiz, whose given name was Shams-ud-din Muhammad (ca. 1320-1389), is the most beloved Persian poet. He lived in the beautiful garden city Shiraz, where he became a famous spiritual teacher. His Divan (collected poems) is a classic in the literature of Sufism and mystical verse. Daniel Ladinsky is an American writer and poet known for his inspired renderings of Sufi poetry. Born and raised in the Midwest, Ladinsky spent six years in Western India, where he worked in a rural clinic free to the poor and lived with the disciples and family of Meher Baba. Ladinsky has published several volumes of his versions of Hafiz's poetry, including *The Gift*, *The Subject Tonight Is Love* and *I Heard God Laughing*. His most recent books are *A Year with Hafiz: Daily Contemplations* (2011) and *The Purity of Desire: 100 Poems by Rumi* (2012).

Other calendars I bought as gifts for others. Hafiz I acquired for myself:-)... Essentially, I am in love with Hafiz... His wisdom is jubilant! And actually Ecstatic!!! It fully describes his personal understanding and relationship with The Divine... It both affirms and inspires further my personal connection with THE Divine as well as the Divine within me!! Reading Hafiz is a part of my every day spiritual rituals!

This is a beautiful calendar with wonderful thought-provoking poetry. I honestly didn't know who Hafiz was before buying the calendar, but I know now and I'm hooked! I was showing it off to my friends and one of them just had to have one, so I gave it to her and quickly ordered another one for me :) Truly beautiful. I can't wait to use some of the pictures in my home when the year is over.

This is a lovely calendar for those who love the writings of Hafiz. I bought two copies - one for myself & one for a friend who likes his writings. The art is stunning & the quotes chosen are good for reflection.

Lovely pictures, lovely quality. The colors are vibrant and the poems selected have been wonderful each month. I am very pleased with this calendar and will buy again next year.

I bought this as a gift for a friend who appreciates the wisdom of Hafiz. The artwork is a lovely accompaniment to his words. I highly recommend it, wish I'd bought one for me, too!

I love the images and the selections from Rumi. The calendar also doesn't hold back on international holidays and other helpful indicators (Daylight Savings, etc.) Very nicely done!

After living without Dan Ladinsky's Hafiz for 2012 & 2013 I am elated to have these beautiful works of art. Thank You Thank You. Inspiration and Beauty, ahhhh...

the illustrations are beautiful and Hafiz has such an enticing, thought provoking poetry that invites us to the joys of celebration!
