This is the worst audio language CD I have ever tried to listen to. It was sooooo annoying. I selected it for my husband and I to listen to on a 14-hour road trip, but I think we listened to about 5 minutes and then had to shut it off. It consisted of the author telling us about how she was on a trip to Germany and then someone coming to her hotel room and asking to be taught German. The person was Phyllis, supposedly a woman but we suspect a man in disguise based on the voice, and Phyllis had the worst pronunciations, even after the author corrected her a hundred times in German so rapid you could not catch it. We stopped when Phyllis decided to come back the next day. We just couldn't take it anymore. Luckily we had only checked it out from the library and not purchased it!
