Customer Reviews

I learned a lot on this book! The right type of food for those who have undergone gastric bypass surgery are presented well in this book . The explanations were done in simple words, although the topic is very medical. It is also gave me awareness on the health issues such as morbid obesity and the medical solutions recommended for such. To learn about the right diet for these cases is a good thing even for those who are not directly affected, so that they can make adjustments needed. This is really a worth reading book!

That is an astonishing cookbook.I say it satisfies its motivation of writing.I delighted in some the formulas and those were amazing.I suggest this book. In spite of the fact that I don't prescribe anybody getting this unless it will help forestall other medical problems. The writer did a great deal of research regarding the matter and the book is elegantly composed. Intriguing book, Mr. John.

That is an astonishing cookbook. I say it satisfies its motivation of writing.I appreciated some the formulas and those were amazing.I prescribe this book. In spite of the fact that I don't prescribe anybody getting this unless it will help avert other medical problems. The writer did a considerable measure of research regarding the matter and the book is elegantly composed. Intriguing book, Mr. John.

That is an amazing cookbook.I say it fulfills its purpose of writing.I enjoyed some the recipes and those were amazing.I recommend this book. Though I don't recommend anyone getting this unless it will help prevent other health issues. The author did a lot of research on the subject and the book is well written. Interesting book, Mr. John.

A step by step guide book has been designed to demonstrate this term about gastric bypass diet and about ts surgery process. This tremendous guide book has proved its worth through essential information and guideline regarding gastric throughout procedure and instructions about appropriate diet. I do appreciate to the auhtor.

This is one of the best book in my kindle collection has healing in Gastric surgery. These recipes are delicious not out of taste like a medicine so I suggest it to serve these recipes to my uncle thanks.

This is one of the best book for gastric bypass diet recipes, these recipes are healing and delicious. So the book is awesome well written and easy to understand. I get this book for my uncle and he is

happy to get it thanks.

Superb book. This book absolutely accommodating for me. Learn to peruse this book. What Gastric Bypass is, decide if Gastric Bypass is for You, prepare for Surgery, eating after surgery. And a great deal more.
