AJALT was recognized as a nonprofit organization by Japan's Ministry of Education in 1977. It was established to meet the needs of people who wish to communicate effectively in Japanese. perfect for class.

My Japanese teacher uses it for advanced class. I am having a hard time to follow the dialogue, but I believe that is because I haven't bought level 2 to catch up with the grammar yet. To sum up, this book is full of sample dialogues, but it might be too advanced for some people.

Excellent study book.
