Traveller Alien Module 2: Vargr (The Third Imperium) (Traveller Sci-Fi Roleplaying)

Synopsis

Callously viewed by other races as thieves, vagabonds and pirates, the wolf-like Vargr are a complex and varied race whose society is light years beyond their stereotype. Alien Module 2: Vargr peels back the layers of prejudice to reveal a fascinating race who have a powerful effect on their region of the galaxy. This book is packed with information for both players and referees. New rules for careers allow players to create their own Vargr characters, which are then well served by technology and ships designed by and for the Vargr. Chapters are devoted to playing a Vargr and how their society and culture are structured. Finally, we have also included a complete sector to explore, meshing seamlessly with the Spinward Marches - the Gvurrdon sector.

Customer Reviews

Hard covered nice looking product. I actually appreciate the "retro" colorless images. The book contains a host of professions for the Vargr character, history. I was once again impressed with the spacecraft and Gvurrdon Sector sections offering a good look behind into the pack mentality of space, so to speak. The book was eagerly awaited and I am pleased to add it to my library of Traveller material.
