Wedding Planning - 25 Essentials: The Ultimate Guide For Selecting Dresses, Cakes And Decorations On A Budget

Synopsis

Your wedding day is probably one of the most important and significant days of your life. We all want to make it memorable, but the majority end up celebrating average weddings. According to a study by TheKnot.com, an average couple in the United States spends close to \$30,000 in planning and arranging their wedding. By spending such a huge amount, you expect the event to be close to perfect, if not perfect. But that is not what you usually get. You have invited guests from all over the country to be witnesses, to celebrate your new love, and to share your joy, but does it make the special day as memorable as you want it to be? Weddings are bound to be fun for the couple and close relatives, but to make it really memorable and equally fun for other guests you have to put in a little extra effort. To make your wedding the best ever not only for the couple but for the guests, too, you need to think differently and step out of the "it's my day" mentality. One of the basics of planning a wedding is to keep the guests in mind while keeping in check how much you spend on the preparations. From selecting the right dress fit for the big event to decorations - everything counts! Our ultimate guide to wedding planning will not only help you have the most value for your money but will also help you in making the most important day of your life the most memorable one as well. In case you're still not sure, remember that this book can't bring back time, and time lost in starting your wedding preparation may mean a lot at the end.

Book Information

Audible Audio Edition

Listening Length: 27 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: RicTamily Publishers

Audible.com Release Date: August 4, 2015

Language: English

ASIN: B01417WKQY

Best Sellers Rank: #70 in Books > Crafts, Hobbies & Home > Weddings > Gown #81 in Books > Crafts, Hobbies & Home > Weddings > Budget #1258 in Books > Audible Audiobooks > Nonfiction > Reference

Customer Reviews

Its a quite nice for married couple to be. I got it for my niece and we definitely used the tips and advice. Beautiful outcome. Thanks!
