Customer Reviews

Unimpressed, nothing new and all common sense you learn as a child.

I love this book. It sooo simple but yet good. The price of it os really cheap for the value.

These book are a must have for an accelerated learner, I've already recommend these books to my family, and have enjoyed the concepts of illustrated forum of lesson that was given.

Awesome book

Good for the price.

Product as described and shipped promptly

Great Value! I reviewed them and the books seemed like any other on the respective topics. A really great value being bundled altogether.

Not much. I have read this before in many books so I've read and looked through
