Customer Reviews

This folder looks great! It's a little tough to get the coins in the holes, you have to give quite a bit of effort. Not the most sturdy, but as long as you aren't too rough with it it should hold up fine. Gets the job done

I really like all of these H.E. Harris coin folders. I've bought most of them and will eventually have them all filled up. I like the sturdier covers these offer over other brands. They do exactly what I need them to do and look nice while doing it.

I'm looking for top quality at a fair price. This is mediocre quality, cardboard and paper, fine for the novice.

An inexpensive way to get started in coin collecting. Just make sure the book is lying flat on a hard surface and use "controlled pressure" when inserting your coins.

Organizes as expected.

nice
