Customer Reviews

SO Simple, and complete opposite of overwhelming. I enjoyed reading like a novel. I am thankful for those who put this together!

The new Kosher for Passover Cookbook is a complete guide for passover preparation for those who are somewhat familiar with the holiday. It provides many recipes for the Seder as well as the rest of the Passover week. I found the recipes clear and easy to follow, with good results. While the cookbook has many traditional dishes, it does not cater to those with gourmet or health-conscience tastes. Overall, I would recommend this cookbook for those who are attempting to cook for Passover for the first time. You will find many easy and tasty dishes in this book.
