Customer Reviews

A lavishly photographed and wonderfully informative exploration of the diverse, seemingly incongruent attractions of the Yellowstone Plateau by the acclaimed author of *A Match to the Heart* and *The Solace of Open Spaces*.

After reading "Solace of Open Spaces," I was expecting something more "poetic" with this one. I really liked "Solace" a lot and was rather disappointed with this one. With such a magnificent subject, I would think Ms. Ehrlich could have done much better. The photography is really good, but the writing wasn't up to what I expected, IMHO.
