Nate Saint: On A Wing And A Prayer (Christian Heroes: Then & Now)

Synopsis

"Seven-year-old Nate Saint peered wide-eyed over the cockpit of his older brother Sam's Challenger biplane. The eastern Pennsylvania countryside was spread out neatly below him like a fine tablecloth. Nate was determined to remember every moment of this first high-flying adventure." Flying soon captured Nate's heart. His air service ministry to isolated missionaries put him on a path of destiny that would ultimately end with a final airplane flight with 4 missionary friends to the "Palm Beach" landing strip in the jungles of Ecuador. The men's lives given that day not only opened a door to the gospel for the unreached "Acucas"; it has been said that possibly no single event of the twentieth century awakened more hearts to God's call to serve in missions.

Janet and Geoff Benge are a husband and wife writing team with more than twenty years of writing experience. Janet is a former elementary-school teacher. Geoff holds a degree in history. Originally from New Zealand, the Benges spent ten years serving with Youth With A Mission.

Story is fascinating and inspiring but the narrative is simply written. Adults may feel they are reading a high school level book. The movie about Mr. Saint's life is also worth a viewing!

Great book

I have been fascinated for years with this story. Then I heard this book being read on a radio program recently and realized that Nate Saint was raised only a few miles from where I live. So I bought the book, enjoyed it so much, that after reading it I bought the book about his sister.

I bought this book for my 13 year old daughter. She has read many of the "Christian Heroes" books and she absolutely loved this one. She kept talking about it and how interesting it was. In fact, I feel like I read the book, because she told me all about it. It's definitely one of her favorite books of this series.

A great missionary biography for grades 3-8.

Great true story of God's faithfulness especially through the blood of the saints. Read it to my kids. The author put together the facts of the real story very well.

I love to read about people like Nate Saint who are ordinary people who allowed themselves to be used by God in extraordinary ways. To God be the glory!

Janet and Geoff Benge are as always totally reliable in their presentation of Christian biographies. Much appreciated at a time when it's difficult to find appropriate books to read. We have read several of their biographies and they are always well written and very enjoyable. We come back to this series time and time again.
