cute book! it's a board book which is great for my 11 month old but the story inside is definitely more enjoyed by my 3 year old and a little long for the baby to sit through. I feel like a shorter version would be nice as a board book and this more lengthy Version would be good in a paperback format. very cute either way!

it was for my 3yr old grandson and the minute we started to read this book he was hooked to it

I bought this book MY ABC OF GOD LOVES ME...to give to my niece at her baby shower, along with other items. I did read through the book, and my niece was very happy to receive a religious book for her new baby. There aren't enough of these wonderful books on the market or in the hands

of our children.

I have ordered several for gifts. The grandbabies love their own "Bible", perfect for little hands and easily carried by the handle.

Grandkids carry this book around with them and it is a favorite of theirs for bedtime reading. They have a bigger one of these books but this is easy to carry for them.

This is a wonderful little book. Nice graphics and wonderful text. What a great thing to be able to learn the alphabet while learning about Jesus as well.

I was looking for ABC books about God for out toddler who loves the ABCs and this one fits the bill! A bonus we didn't expect were the dog and cat that appear on most pages...he love animals so they help keep him engaged int he book while he hears God's word.

My favorite book! It's so sweet and colorful.
