The HUNT London (The Hunt Guides)

Synopsis

London is huge, but come with us, and you'll have a jolly good time! Discover milliners and shoemakers who'll feather your cap and put a spring in your step, vintage boutiques galore and interior design shops. Hungry? There are also organic cafÃ©s, old pubs, fine-dining restaurants and everything in between. Delightful museums and art galleries, plus verdant parks aplenty too. Off you go, cheerio! This beautiful little guide fits snugly in the back pocket of your jeans, or neatly in your favorite clutch, and is packed with the inside scoop on old-school favorites, eccentric gems and hip newcomers to lively London. The HUNT is a tightly curated travel guide series that focuses on the most unique eating and shopping destinations, as well as memorable lifestyle experiences and activities in each city. The HUNT editors are always residents who know their home turf inside out. We don't list everything and the kitchen sink — who has time to sift through all that? Instead, we carefully select around 100 venues that are truly worth visiting. The places we support are the ones that add soul and character to their neighborhoods, making the city truly vibrant.

Customer Reviews

David Leppan is a treasure hunter, a collector, and a hunter-gatherer. His passion for what's unique, rare and handmade began at the age of 10 with a friend's father telling him with great enthusiasm about his classic Rolls-Royce. To finance his rather nomadic lifestyle, he searches for treasures all around the world — zealously buying and rather sadly selling antiques — always on the lookout for beautiful and unusual products made by craftsmen and artisans.

Well done
