I've been using this by having my preschooler practice tracing a couple of letters a day, and I think it has helped her a lot.

PERFECT

This practice book is great. Many more pages of letter tracing than other comparable books.

Nice workbook. A little advanced for a 3 yr old who is just learning to hold a pencil and write. But I'm sure he'll love it soon enough.

Great book to get the little kiddos to start writing letters. Reasonably priced as well and pretty sturdy.

A nice sized book for the kids to practice with.
