Customer Reviews

We like Insight Guides and use them for travel abroad if we can find it. The book gives us valuable background, history, places to see, restaurants, etc. I wish there was a newer edition, but we find it useful for our upcoming trip to Lebanon.

bought this for my 93 year mom since her parents came from Syria and Lebanon. Not sure if she liked it - she doesn't talk about it much.

Excellent delivery and the book was in new condition other than the library stamp, an absolute bargain. Thank You.

Although dated 2000, beautiful pictures, well laid out and with the usual helpful section at the back.
