Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

thanks cheaper

Very happy with the purchase. Received book promptly and in good condition. Would definitely buy again in the future. Thanks for a great, smooth transaction.

Nice school textbook for high school students.

Promptly and exactly as advertised.

great

The book arrived with writing on the inside cover. It was a very disturbing letter in regards to committing suicide. I feel that the book should go out with such things on it.

It wasn't what I expect. I needed the 2012 edition of the book, and you send me the 2007 edition. My son's teacher didn't accept this book.
