Tales Of A Wanderlust: In Haiti...Germany...Norway

Synopsis

Imagine traveling in the 60's to countries both unique and dangerous: tumultuous Haiti, divided Germany, and gorgeous Norway. In the time when Papa Doc was in power in Haiti, the Tontons Macoute helped keep this terrifying dictatorship running. In spite of the oppression and poverty, enjoy the people, the landscape, and the flourishing arts and crafts of this beautiful country. Tour Berlin and the notorious Wall! See your-self hesitantly going through Checkpoint Charlie; hearing the stories of the people on both sides of this wall. And explore the beauty of the German countryside as you travel in a VW Camper-including the celebration of the human spirit which is the spectacle of Oktoberfest! Finally, an adventurous trip through Denmark and Sweden to Norway's North Cape - in search of the wondrous Midnight Sun. Be transported by these amazing countries as experienced by the author and his wife as they witnessed the beauty, history, arts, and politics of these incredible places.
