Totem Poles

Synopsis

This book guides readers to the many places in British Columbia, Washington and Alaska where totem poles can be found and helps viewers understand the "language" of the poles. Learn about their origin and history, the symbols and ceremonies linked to them, types of figures and how to identify them, and where to see authentic poles and pole collections. Pat Kramer spent many years researching the material in this book and worked closely with First Nations to create a fresh and revealing look at these incredible artifacts. Filled with fascinating facts, legends and photographs, Totem Poles is an excellent guide, reference and souvenir.

Customer Reviews

Pat Kramer is a long-time resident of BC's west coast. Pat is a naturalist and speaker who works on cruise ships and writes guides for travel connoisseurs who delight in well-planned trips filled with hidden wonders. Pat has travelled the world visiting First Peoples and is an acknowledged expert on the cultures of Northwest Coast First Nations, with whom she worked in educational capacities for more than 20 years.

Excellent book. Discusses the history of Totem poles and the First Nations people of the coastal area. A lot of good information.

For the price this was an incredible deal. A really great explanation of the major characters and characteristics of Totem Poles. Lots of great photographs, and descriptions.

gift for coworker they loved it

Another excellent publication!

good reference

great book enjoyed it

Item arrived promptly and in excellent condition. I am impressed with the amount of knowledge that this book contains and find the interpretation of symbols most interesting. I feel inspired to learn more about the subject of Totem poles. Thank you.

Very educational and detailed pictures and images of actual Totem poles. Wonderful color pictures. Excellent book but not a lot of info on actual carving.
