Excellent! Only reason for not giving 5 stars is that it didn't allow for the teenager recording the book to adapt when the part "when my own children..." which sounded weird being recorded by a teenager. Otherwise excellent!

My son used this for his daily devotional reading and I was impressed with the impact it had on him. He has recommended it to several of his friends and to youth leaders in our church.

Good book.

Very good

Bought this for a daily devotional with my 14 and 12 yr old, not excellent but not terrible. Little too much of "scare tactic" for me but my kids and I discussed it as we went along and it was alright.

Excellent way to reach teens. Really brought my high school/middle school CCD classes together. speaks in a language they understand,

Good book!
