A Barnyard Collection: Click, Clack, Moo And More (A Click, Clack Book)

Synopsis

Three favorite CLICK CLACK tales have been corralled into a fabulous storybook collection. This bind-up features CLACK, CLACK, MOO: COWS THAT TYPE; GIGGLE, GIGGLE, QUACK; and DOOBY DOOBY MOO and is just bursting with barnyard antics and fun from typewriter hijinks to pizza party trickery to a farm animal talent show. Bestselling, award-winning "and well loved" author and illustrator team of Doreen Cronin and Betsy Lewin could fill a silo with accolades. With new jacket and spot art from Betsy, this three book bind-up is sure to keep the laughs coming!

Customer Reviews

Doreen Cronin is the author of The Chicken Squad series, her debut novel Cyclone, and many other New York Times bestselling picture books, including Click, Clack, Surprise!; Click, Clack, Ho, Ho, Ho; Click, Clack, Peep; Click, Clack, Boo!; Dooby Dooby Moo; Thump, Quack, Moo: A Whacky Adventure; Bounce; Wiggle; Duck for President; Giggle, Giggle, Quack; and the Caldecott Honor Book Click, Clack, Moo: Cows That Type. She lives in Brooklyn, New York. Visit her at DoreenCronin.com. Betsy Lewin is the Caldecott Honor-winning illustrator of Click, Clack, Moo: Cows That Type and its sequels, Click, Clack, Surprise!; Click, Clack, Ho, Ho, Ho; Click, Clack, Peep; Click, Clack, Boo!; Giggle, Giggle, Quack; Duck for President; Dooby Dooby Moo; and Thump, Quack, Moo; in addition to a number of other picture books, including So,

Whatâ€™s It Like to Be a Cat? and Where Is Tippy Toes? She lives in Brooklyn, New York.

My mom bought this book for my daughter when she was probably like 8 months old. She is now almost two, and I just had to repurchase it because she has been reading, looking, carrying, turning, and lugging this book around since. The original is all taped up, its sad looking lol. So I finally broke down and bought a new one. This book consists of 3 somewhat short stories involving the same few barnyard animals, cows, duck, pigs, and chickens. It's probably 10 or so minutes to read the whole book so it's perfect for bedtime stories and because of it being 3 different stories you can pick and choose how much time you want to spend reading. The drawings in this book are beautiful, and the stories are humorous to both child and adult. This is my daughters all time favorite book "Mama, Moo. Story, moo!", and I don't get tired rereading it! A good buy!

I'm in my 30's, and my sides hurt every time I read this book to my daughter. I literally have to take a break after the page about the duck bringing ultimatums as a neutral party because I can't stop laughing. It gets me every single time.***3 years later and the Duck part still quacks me up. This version of the book features 3 stories. Its' got the original Click Clack Moo, then 2 sequels. One is centered on the Duck being mischievous while Farmer Brown is away. This story just feels forced to me. It's not nearly as good as the original and it's just trying to capitalize on the Duck character from the first one. The second is about the barnyard animals sneaking off to the fair to enter a single contest. It's not quite as good as the original Click Clack Moo, but it's still very funny. All in all the 3 story version of this series is worth getting as the cost isn't much more than any of the 3 books by themselves. The Duck story is readable as a bedtime story. It's not bad. It's just not on the same level as the original.

When we found our daughter was pregnant, we HAD to get her this set! It contains "CLACK, CLACK, MOO: COWS THAT TYPE; GIGGLE, GIGGLE, QUACK; and DOOBY, DOOBY MOO. All 3 stories are hilarious, as the farm animals are constantly pulling one over on Farmer Brown. So glad we made this purchase, our GD enjoys being read to and these books are so fun. I also like the "collection" book, as opposed to 3 separate books.

This was a popular book series for my third graders; easy to read, funny, catchy repetition, great illustrations. My classroom copies were too used/worn to give to my kids, so I bought them this compilation. My son, now in third grade, reads through them without stopping--all three books!

They're too fun! He loves them, and so does his little sister and me!

Why not get three of our favorites in one handy, hard-bound anthology! These books are so funny and cute that it's hard not to laugh at them. They're my son's (4) favorite, and now my daughter (6) enjoys reading them aloud to us. The pictures are great, the story is funny, and there is loads of inferecing to be done about how the characters feel based on their faces and actions, so it's educational too.

My son love these books! Bought it as a gift for him. He's read the whole series.

So funny! Looking for the whole series now!

My kids love this book so much. All 3 stories in this collection are so cute and funny - that even adults can enjoy them. My son (4 years old) asks us to read it to him all the time. He's heard it so many times that he has it memorized and he pretends to read it all by himself! He also insists on reading aloud all the animal sounds in the stories. I like the hardcover for this edition, as kids can be kind of rough on their books. Ours has survived literally hundreds of readings and the binding and pages are still holding up. The stickers included with the book are a nice bonus.
