I keep this tiny tome in my purse at all times. It really is a "pocket book". It's comforting to me when I need to ground myself in the word on the fly, not just from memory, but reading it. It is also helpful when someone needs a word, and I don't have any scripture memorized for the person's needs, but the situation requires reading out the word of God, rather than reminding of general concepts (and I

don't have a bible or app on hand). For example, "John 3:16" rather than "God loves you so much that he sent Jesus for you". The book is well laid out for the purposes I stated above. It is divided into themes. So, if we need to see some of what God says about love, fear, relationships, loss, finances, etc, we flip to the category and get a scripture location and a sentence of two. Easy peasy!

Just started reading this book, but the word of God is great and this book is a blessing to have. It gives scriptures on certain topics that any Christin might have concerns about or areas where we might need encouragement or even deliverance. Praise God for this compact book of Bible promises.

When I first got saved this booklet was given to me. I loved it then and I love it now. The Lord is faithful and His promises are what I hold onto.

As Sr. Chaplain at my church, I give this book to all of my students and I also give the book to encourage people that I minister to. Unfortunately the book is getting more difficult to find. I buy from 10 - 25 books at a time when I can find them. Please consider another publication. Thank you

Great for on the go and sharing the word. Like to use when I'm feeling defeated, down, or just don't know what to do.

Ephesians 6 says to put on the whole armor of God. Part of that is the Sword of the Spirit, the Word of God. This little sword will fit in your purse or pocket. Keep it with you at all times, because Satan attacks at all times. If he's whispering fear to you, open this book & find scriptures on what God says about fear. If he's whispering failure, find scripture about what God says about His plans for you (they're for good, not for evil, to give you a hope & a future). Order several & give them to friends. You'll run out.....

I love this handy little book of encouragement! I ordered several to give away, which have already made their way into the hands of several others as The Lord has led. The content speaks for itself, so much of His love in one compact ,convenient place! I keep two copies with me, my own, and one to give away as opportunity presents. Easy to keep handy as a quick reference and daily reminder of who we are in Christ, and all He has won for us! Thanks , the ordering and transaction was smooth and my order was delivered quickly! I'll be back to order more soon!

We had one of these promise books when my son (now 31) was a teenager. It must have made an impact upon him then, as he recently requested a copy. Not willing to part with the original, I was glad to find this on-line, and sent it directly to him. In our phone conversations, he quotes from it often.
