Nurse Nancy (Little Golden Book)

Synopsis

Many people fondly remember this book. Nancy loves to play Nurse, but her older brothers are always too busy with their big boy games to play with her. One day, when brother Billy falls and hurts himself, Nurse Nancy is at the ready! This lively, charming book from the 1950s is still fresh today.

Grade Level: Preschool - 2

Customer Reviews

Many people fondly remember this book. Nancy loves to play Nurse, but her older brothers are always too busy with their big boy games to play with her. One day, when brother Billy falls and hurts himself, Nurse Nancy is at the ready to help him with real plastic bandages! This lively, charming book from the 1950s is still fresh today.

Kathryn Jackson wrote hundreds of lively, witty stories for Golden Books, most of which were coauthored with her husband, Byron. The Saggy Baggy Elephant is one of the pair's most famous titles. Golden Books that Kathryn Jackson wrote on her own include Tawny Scrawny Lion, Nurse Nancy, Pantaloon, Richard Scarry's The Animals' Merry Christmas, and Richard Scarry's A Story a Day: 365 Stories and Rhymes. Corinne Malvern (1901-1956) was a commercial artist who made

her mark in fashion advertising and children's books. She was an art editor of *Ladies' Home Journal*, and often painted its magazine covers. She illustrated many iconic Little Golden Books, including *A Day at the Seashore*, *Heidi*, *The Night Before Christmas*, *Doctor Dan the Bandage Man*, *Christmas Carols*, and *Nurse Nancy*.

This is a great book from wife's childhood. She hopes to read it to her own grandchildren one day. I was read this book as a kid and liked it. It's a great little book. It's likely to not be deemed worthy in this world today due to too much political correctness....like "How dare they write a book about a girl that is a nurse....MAKE HER A DOCTOR." Nurses are great...men or women!

As a child back in the 1950s, I had a huge collection of Little Golden Books, and this was one of my favorites. So when I discovered it on Amazon, I had to have a copy. I was sort of hoping it would still come with the little Band-aids, so was a little disappointed to find that this current edition doesn't have them. (At least, mine doesn't.) The book definitely reinforces traditional male/female stereotypes, so I'm not sure how it would go down with today's little girls and their mothers. Still, a lovely reminder of the "good old days" and some of Corinne Malvern's sweetest artwork.

Same as the original 1950's edition but now I find myself explaining that Nancy chose freely to become a Nurse rather than going to Medical School, whereas back in the 1950's my mother explained that girls become Nurses and boys become doctors because most every Medical School at that time didn't accept girls.

Wonderful books, but no longer come with the official bandage in front. Whatever happened to Doctor Tommy?

Still the sweetest story ever. I read this over and over as a child. I work at a hospital and I bought several copies for the nurses I work with.

Classic story from my childhood.

I love it !

Great book for kids !!
