I've had this book for a few days and I love playing these songs. I'm an advanced beginner and find the arrangements easy to understand. You'll enjoy these songs for many years!

The kindle edition is formatted like this for the songs- one full page of music, click to next page- half page of credits for music, small half page of music. So the song is broken up by a half- or

sometimes a full-page of credits. Music itself looks fine- but it should not be on kindle if it cannot be formatted in a playable way.

This truly is a fantastic easy piano book!!!! I'm 30 and I LOVE it!

they are just what I needed
