Susan Hagen Nipp received her Bachelor of Arts Degree in music and a minor in education from Whitworth College, in Spokane, Washington. She has taught high school English, and music on the elementary school level. She lives in Coeur D'Alene, Idaho, with her husband Charlie. They have two children. Pamela Conn Beall received her Bachelor of Arts Degree in music and a minor in education from Oregon State University. After college, she became an elementary school music teacher in the Portland area. she currently resides in Lake Oswego, Oregon, with her husband Ron. They have four children.

There was too much talking instead of music.

A wonderful addition to any child's library. I'm so pleased at the price and quality of this touching story book. I would most certainly purchase this again. My little one loves reading this book!

This book, like all the Wee Sing's I've seen is great. The recordings on the CD are fun with real

children's voices. My kindergarten and first grade students love the circle dances. The third grade are challenged by the harder clapping and jump-roping games. Great for free days in music class, kids parties, and rainy days. My only complaint is that many of the rhymes listed are also songs, but the notation is not always provided. Its no big deal though if you don't read music.

It wasn't exactly what I thought I was ordering as I already had a Wee Sing and Play (book and CD) and the one I had is in a "book-type" package so nice and compact and together not separate like I received from your order. The condition was all good though.

Have been a fan of WEE SING for decades. Would highly recommend to all with kids or grandkids. Prompt shipping, thank you

I have 3 boys(20 months, 5 yo, and 7 yo). Each one of them loves this wee sing cd. They know all the words to the songs. I love this cd too. I remember all the songs from my childhood. I plan on buying more CDs from wee sing.

Great memories from my children to share with my grandchildren

Music for my granddaughter. Fun songs to use in play with her.
