Healing Lines (Line By Line)

Synopsis

The I Ching is an ancient Chinese system of philosophy that helps us understand the immutable workings of cosmic law and intelligence. Healing Lines is a translation of the 64 hexagrams of the I Ching directed at answering questions regarding physical and psychological health. It includes complete guidelines on using the commentary to ask higher intelligence practical questions regarding health.

Robert R. Leichtman, M.D. is the developer of Active Meditation and the author or co-author of more than 40 books on the subject of spiritual growth. He lives in Baltimore, Md., where he is a member of the healing team of the world-famous New Life Clinic. Carl Japikse is the author, co-author, or editor of more than 60 books, most of them dealing with the development of the mind and spiritual growth. He lives with his wife Rose in the mountain of north Georgia.

a book for reference of life

This book is one of a kind. I Ching has been around for ages, but Robert Leichtman certainly knows how to explain things simply for anyone to understand. Even young children can use this book and they will become more knowledgeable. This book is definitely a rare set of information that gives one energy just from reading it. It also gives one a feeling of healing and transformation within ones'

own stages of life. I treasure this book and would only recommend it to anyone who wants to learn and understand more about life in general.
