Nine Questions People Ask About Judaism

Synopsis

The classic and essential guide for the educated, skeptical, and searching Jew, or for the non-Jew who wants to understand the meaning of Judaism. If you have ever wondered what being born Jewish should mean to you; if you want to find out more about the nature of Judaism, or explain it to a friend; if you are thinking about how Judaism can connect with the rest of your life—this is the first book you should own. It poses, and thoughtfully addresses, questions like these: • Can one doubt God's existence and still be a good Jew? • Why do we need organized religion? • Why shouldn't I intermarry? • What is the reason for dietary laws? • How do I start practicing Judaism? Concisely and engagingly, authors Dennis Prager and Joseph Telushkin present Judaism as the rational, moral alternative for contemporary man or woman.

Customer Reviews

Herman Wouk The intelligent skeptic's guide to Judaism Rabbi Wolfe Kelman (Conservative) Executive Vice President, the Rabbinical Assembly Compelling and persuasive. Its challenging ideas and direct and illuminating way permeate every page. Rabbi Hayim Donin (Orthodox) author of To Be a Jew Stimulating...thought-provoking...excellent. Rabbi Paul Kushner (Reform) in The Jewish Week I would suggest that on a single afternoon every rabbi, YMHA director, Jewish college instructor and anyone who has contact with young Jewish adults should set aside three or four hours and read The Nine Questions People Ask About Judaism. They could then spend the next few decades recommending and quoting him this excellent book.

Dennis Prager hosts a nightly talk show about values on KABC Radio in Los Angeles, lectures extensively, and writes and publishes a national newsletter, Ultimate Issues. Joseph Telushkin, a rabbi and scholar of Jewish history, is currently a Jerusalem Fellow. Dennis Prager and Joseph Telushkin are also coauthors of *Why the Jews? The Reason for Antisemitism*.

Succinct & well organized, eminently readable, comprehensive overview of some key points in Judaism, Jewish history, some of the literature, and, of course, the "Nine Questions".

this is very educational and easy to understand, and i recommend to anyone if they want to learn about judaism's point of view in all the basic things in life. i have chosen to come home to judaism so i was very happy to receive this book so thank you!

This is one book I often lend to my non-Jewish friends. Excellent for helping people understand the basic concepts of Judaism

The book gave me more insight into my religion than I ever had before.

Great book; bought it as a gift for someone who has one parent who's Jewish and who knows very little about Judaism. The chapter on Soviet Jewry is outdated; other than that, it's a very easy to read and informative bedtime book.

This book taught me so much, and had me seriously considering converting to Judaism. If I knew a Jewish person well, there's no doubt in my mind that I would have him/her introduce me to someone who speaks to those who are interested in learning more about the faith.

For a generation, Prager and Telushkin's book has been and remains single best popular introduction to Judaism available.
