Permanent Ink (Art & Soul Book 1)

Synopsis

Book one in the new Art & Soul series At twenty-three, Poe Montgomery is going nowhere. He still lives in his father's basement and spends most of his time tagging with his friends. When an arrest lands him in debt, Poe accepts the front desk job at Permanent Ink, the tattoo shop owned by his father's best friend, Jericho McAslan. Jericho is nearly twice Poe's age, but with his ink and prematurely graying hair, he quickly takes the starring role in Poe's hottest fantasies. Jericho is known for his ability to transform poorly designed tattoos into works of art, but he was once as aimless and misdirected as Poe. Wanting to pay it forward the way someone once did for him, Jericho makes Poe his apprentice and is determined to keep things strictly professional. Easier said than done when Poe makes his interest "and his daddy kink" abundantly clear. Jericho can't resist Poe or their intense chemistry for long. But between the age gap, tension with Poe's father, and Poe's best friend calling him a sellout, they'll need to ensure they're both on the same page before they can rewrite their rocky start into something permanent. Word count: 67,800; page count: 250

Customer Reviews

I really liked this novel because it appealed to my Daddy kink, while also telling a complete story. The two main characters were fun although i feel that Jericho had more room to grow as a character. He was pretty static. Poe was cute and I am happy he worked through his flaws. Landon was the best! Hopefully there is more on him in the next book. Same goes for Blue and Cal!

I devoured this book. I am always a sucker for a May/December romance and Jericho and Poe did not disappoint!! I loved this story and their dynamic. They are off the charts hot and I loved the artsy aspects of this book. There were characters in this book that were frustrating but all in all it was a great hot sexy read!!

This is a solid, well-written story with engaging guys, and a set of challenges both personal and non-trivial. This pair's kink is by no means mine, and yet the author managed to mostly not squik me with it, which is, frankly, impressive. I'll read the next one. :)

Stumbled across this from a Facebook suggestion ad. Read the summary and immediately shared with my best friend. We completely devoured this book! Well written and wonderful story. Add on hot, older Jericho and cute, smart-mouthed Poe, and this is a 5 star read from beginning to end.

The characters were fascinating, the setting of a tattoo shop was fun, and I couldn't put this story down. I loved this book and am anxiously awaiting the next in the series. The characters and their relationships are so interesting and relatable, and this goes far beyond the two mcs. Highly recommend!

I love tattoo shop stories and this one just reaffirmed my love of them. Poe is a punk and kind of a brat, but he redeems himself pretty quickly. The daddy kink is not normally my thing, but this one isn't overdone. Good story and great characters.

I'm so fond of this book and it's characters that you won't believe it. The writing is excellent and the twists and turns very interesting and thoughtful. I really can't wait to go back to this universe - and all the tattooing didn't hurt!

Poe and Jericho were an unlikely pair but their chemistry was off the chart hot! I loved the story and look forward to additional books in the series. Can Callum and Blue be next????
