Will be taking an Alaskan cruise later this year, and this gives me an insight of some of the sites I will be able to enjoy.

Going on a cruise to Alaska...this has been so helpful.

Great info on the ports of call.

It did give information, but I was disappointed in the flow. It was difficult to follow

Lots of useful information. A great help in planning our trip

was very good

What a great gift this will be!

This book would be good to buy if you haven't started researching yet for your cruise. I had already done some research online, and I didn't really learn anything new about the ports from this book. Did have a lot of history about Alaska that was interesting.
