From Moon Cakes To Mao To Modern China: An Introduction To Chinese Civilization

Synopsis

To understand China, we need to step into the palace of her culture and explore her rich history. With this in mind, a group of scholars from China and America have put this book together as a kind of primer on all things China, from art and science to religion and society. They have tried to offer here a panoramic view of the totality of Chinese culture, using only the most representative material, to introduce to the West the most typical aspects of Chinese civilization and life.

Customer Reviews

"Nearly anyone, even those with just a small interest in China, will find much to learn and enjoy here." âLibrary Journal --This text refers to an out of print or unavailable edition of this title.

In *From Moon Cakes to Mao to Modern China* a team of experts describe iconic elements of Chinese life such as language, festivals, dragons, the Great Wall, tea, Beijing opera, qipao, Taoism, Chinese martial arts, poetry and literary classics like *Book of Songs* and *A Dream of the Red Chamber*, figures such as Confucius and Lu Xun, as well as a reading of the legends such as Pan Gu separating the sky and earth and Nu Wa creating the human race. Between these covers readers, whether students, travellers, or simply interested, will find a guided tour to the highlights of China's dazzling five thousand year old civilization - an excellent introduction to the breadth and power of China's culture. --This text refers to the Hardcover edition.

Excellent written book, very informative. Great read for those wishing to familiarize them with China.

Great.
