City Of Bones: 10th Anniversary Edition (The Mortal Instruments)

Synopsis

#1 New York Times and USA TODAY bestselling author Celebrate the tenth anniversary of Cassandra Clare's City of Bones with this gorgeous new edition, complete with special content and exclusive color illustrations. The tenth anniversary of Cassandra Clare's phenomenal City of Bones demands a luxe new edition. The pride of any fan's collection, City of Bones now has new cover art, gilded edges, over thirty interior illustrations, and six new full-page color portraits of everyone's favorite characters! This beautifully crafted collector's item also includes four bonus stories that have previously only appeared in limited distribution, and "best of all" a new piece written by Cassandra Clare. A perfect gift for the Shadowhunter fan in your life. This is the book where Clary Fray first discovered the Shadowhunters, a secret cadre of warriors dedicated to driving demons out of our world and back to their own. The book where she first met Jace Wayland, the best Shadowhunter of his generation. The book that started it all.

Customer Reviews

"City of Bones has everything: vampires, werewolves, faeries, true love, and stuff that blows up. What's more, Clare's characters are brilliant -- she better not kill any of them off in the next two volumes!" -- Justine Larbalestier, author of "Magic or Madness" "Funny, dark, and sexy. One of my favorite books." -- Holly Black "Prepare to be hooked." "Wildly popular...think "Twilight "on steroids." "This version of New York, full of Buffyesque teens who are trying to save the world, is entertaining and will have fantasy readers anxiously awaiting the next book in the series." "Lush and fun."
