Customer Reviews

Avainia has some serious issues and will go through any length to keep the man she's obsessed with. However she stooped too low and thought one of her secrets she tried her best to hide wouldn't surface. Kash was one sick man who plan has failed miserably and left him in a situation he couldn't get out of. London was too damn forgiving. She should've known trouble was lurking. Rashad was confused and didn't know what he truly wanted. Although he was trying to do right by his wife. His heart belong to someone else. I can't wait to see what will happen once he finds out the ultimate betrayal his wife is trying to hide. The story was OK. It would have been a whole lot better if

there wasn't many grammatical errors.
