Showgirls Of Las Vegas (Images Of America)

Synopsis

Little girls all over the world may hope to grow up to become a princess, but few ever realize the dream. For those who grow up to become showgirls, they go far beyond, becoming goddess-like objects of men's desire and the epitome of feminine beauty, elegance, and class. As soon as resort casinos began to dot the dusty Las Vegas landscape, major stars, extravagant show productions, and beautiful women helped promote the city to become the ultimate adult playground. In the early 1950s, when women began to dance and parade on the stages of Las Vegas, the showgirl persona evolved from the seductive burlesque-style performance art to the elegant productions modeled after those staged in France, with women dripping in furs and feathers, or in nothing more than a G-string and rhinestones. The over-the-top Las Vegas productions may have faded into obscurity, leaving but one show, Bally's Jubilee, as the longest running showgirl show on the Las Vegas Strip, but the iconic showgirl will forever represent Las Vegas in all of its glitz and glory.

Customer Reviews

Author Lisa Gioia-Acres has been a Las Vegas resident since 1987. She teaches history and anthropology and is dedicated to documenting history by collecting life and career stories.

Excellent book on the history and style of Las Vegas icons. Lots of photos too.

Basic and relatively short photographic history of LV showgirls. Many photos from a university collection. That should tell you something. This is not the book for you if you are looking for glamorous, partially nude showgirls prancing about.

This is a most interesting book about an often overlooked part of the Las Vegas culture. It is fascinating to watch the evolution of costumes over the years. the book also shows photos of many of the stars and celebrities that have graced the stages and backstages of Vegas over the years. Among the interesting images, was an employment application for a showgirl job from 1959. The book is a compilation of pictures with a very well written text. At one venue the girls were paid for six days of work, weekly, but had to work seven with room and board given in exchange for the seventh day. I very much enjoyed this book.

This book shows the history of showgirls in the beautiful las vegas! I enjoyed the photo's and the history written with them.. I was told about this book by my tour guide in vegas and she happens to be one of the show girls featured in the book!!! GREAT PURCHASE!!!

There are no original stories to go along with the pictures. Somebody obviously has a friend in the archives division.

Finally got it. Sellers were very nice. I am on pg 74 Thanks

Helped bring back memories of a former career.

Good volume.
