This order was to replace the copy I'd had for years (until a certain son stole it). The title is correct. It is filled with delicious recipes that are easy to follow.

Had it before. I just replaced it

One of the ten best cookbooks ever written.

I thoroughly love this book. I actually gave it to my son in law and kept a well worn copy I cherish. Thank you for a pleasurable shopping experience.

Great reference cookbook. This one should be in your collection. Lot of delicious recipes. This one's

a keeper. Good eats.

The cook book came early and in good condition, as stated. I have wanted this book for a very long time. :-) Thank you.

Replaces my original book, I have one of the first editions. I Could not cook without it, meets all expectations.
