Audubon Wildflowers Wall Calendar 2016

Synopsis

These are natureâ™s gardens: our coverâ™s pretty red Indian Paintbrush blooms in Canadaâ™s Cathedral Provincial Park. Cheerful fields of golden California Poppies. Clusters of Lewisâ™s Monkeyflowers adorning the banks of a lively creek. And a stand of fluffy Cottongrass mimicking the snows in Denali National Park. Audubon Wildflowers indulges flower lovers with a dozen full-color portraits of North American wildflowers in their native habitats. Spreading their beauty and color across landscapesâ™ only to disappear and re-emerge in another yearâ™ wildflowers celebrate the seasons, and are always a delight to behold.

Book Information

Calendar: 28 pages

Publisher: Artisan; 1st edition (June 25, 2015)

Customer Reviews

Audubon's mission is to conserve and restore natural ecosystems, focusing on birds, other wildlife, and their habitats for the benefit of humanity and the earth's biological diversity. Audubon's network of community-based nature centers and chapters, scientific and educational programs, and advocacy on behalf of areas sustaining important bird populations, engage millions of people of all ages and backgrounds in positive conservation experiences.

Gorgeous pictures and lots of space for writing appointments on the calendar. It's great to have it early for those annual doctor commitments!

Wonderfully illustrated, a must have for wildflower lovers

There are so many calendars from which to choose annually. This one is certainly an eye-catcher and perfect on a wide, white kitchen wall!

This is a beautiful item that arrived quickly after ordering. I will definitely consider ordering another one next year

This calendar is simply beautiful! Each photo is so lovely! The paper is heavy stock and photos are very sharp and clear! Love it!

It's a beautiful calendar.

Great!

Beautiful flowers in the calendar. Otherwise, a regular calendar! And the price was good.
