Customer Reviews

These eight sessions support The Smart Stepfamily book and are ideal for small groups, seminars, or individual couples. Ron Deal's personable presentation combines instruction and encouragement, offering useable solutions and tips for everyday living.

Ron L. Deal is founder of Smart Stepfamilies®, Director of FamilyLife Blended®, the author of The Smart Stepdad and Dating and the Single Parent, and coauthor of The Smart Stepmom and The Remarriage Checkup. Ron is a licensed marriage and family therapist who frequently appears in the national media, including FamilyLife Today, Focus on the Family, and The 700 Club. Ron and his wife, Nan, and their sons live in Little Rock, Arkansas. Learn more at RonDeal.org.

Great resource for anyone either contemplating becoming a step - family or already in one. It is very practical and reassuring with some good topics to discuss within the couple and groups (if applicable). Also recommend the workbook for the DVD series and the text book which both go with the DVD. My partner and I have already found them challenging and invaluable for us and the

children.

Would highly recommend this to any parent in a step family. Especially YOUNG ADULTS. The wisdom in this series can be very helpful! Would also recommend to anyone considering divorce! It may give an incentive to consider counseling with your spouse!

It was a rude awakening but definitely worth it. Being able to watch the videos together was worth the extra money as opposed to the books.

Amazing book for the Christian blended family. I have 3 of my own, my wife has 1 and we have one together. We are planning on doing a class at our church for other blended families.

We've gotten through the first 4 sessions and definitely are into it. We really like his practical real-world advice that jives exactly with what we have been experiencing!

Great program! You should purchase the guidebook as well with this if you really want to put in the work.

great study for all types of blended families and for singles that are planning to marry into a blended family situation.

Some good info but kind of boring to watch.
