# T-Bone Walker - Guitar Play-Along Vol. 160

## Synopsis

(Guitar Play-Along). The Guitar Play-Along Series will help you play your favorite songs quickly and easily! Just follow the tab, listen to the CD to hear how the guitar should sound, and then play along using the separate backing tracks. The melody and lyrics are also included in the book in case you want to sing, or to simply help you follow along. The audio CD is playable on any CD player. For PC and Mac computer users, the CD is enhanced so you can adjust the recording to any tempo without changing pitch! This volume includes: Glamour Girl \* I Got a Break Baby \* Mean Old World \* Papa Ain't Salty \* (They Call It) Stormy Monday (Stormy Monday Blues) \* Strollin' with Bones \* T-Bone Jumps Again \* You Don't Love Me.

## Customer Reviews

5-star unanimous reviews on this book. I can see why.

a good primer on the style of T-Bone Walker.

Good guitar tech book

This is an excellent book for someone looking to learn T-Bone's style. There is also the Recorded Versions tab edition, which itself is very good, but it doesn't include the backing tracks. The tabs

differ from the RV edition but they seem very good overall. They seem to be slightly more simplified than the RV edition. Few tweaks to the transcriptions are necessary but they're pretty obvious. The best part of the package, however, is the backing tracks. I have literally hundreds of blues backing tracks and finding T-Bone-style tracks (that aren't Stormy Monday) is very hard. So just having backing tracks of the songs in this collection is fantastic, but the tracks themselves are excellent. They're not overly "modern" sounding in their production and they include the full instrumentation including the horn sections. In fact, I already have the RV tab edition but bought this as soon as I saw it for the backing tracks (for which alone I probably would've been willing to pay twice as much). My only "complaint" is that they could've included 2-3 more songs, but the volume is pretty inexpensive so it's hard to complain. That said, it would be nice to see a second GPA volume for T-Bone at some point. It would also be nice to have the Charlie Christian Recorded Versions re-done as a Play-Along with backing tracks. The same goes for the Freddie King RV edition.

A great book and one every blues guitar player could learn from.
