A Brooklyn Bar For All Reasons

Synopsis

Informed by on-the-ground research, Herb Lester's handy, folded guides uncover what makes a city special - its most distinctive shops, restaurants, caf  s, bars, museums and galleries, whether unmissable old favourites, exciting new arrivals or overlooked treasures. Each entry comes with its own brief description, and a basic map helps the reader get their bearings and make plans. Brooklyn has dozens of neighbourhoods, each with a particular character, and innumerable pubs, taverns, saloons and lounges in many different flavours. In this city guide are bars old and new for any temper; from highfalutin to homely, tranquil to raucous. A saloon for New York's beachcombers, one for philosophers, bars for scholarly pursuits and musical appreciation, a few for a good old-fashioned shot and a beer, and many more for crackerjack cocktails of the moment. Printed on a single sheet of 100% recycled paper, these light, portable guides are an ideal travelling companion.
